

# World Health Organization Executive Board Special Session

October 6, 2020

Update from the Co-Chairs of  
**The Independent Panel for Pandemic Preparedness and Response**

The Right Honorable Helen Clark, Co-Chair

Her Excellency Ellen Johnson Sirleaf, Co-Chair

# Progress to Date – Key Milestones

# Terms of Reference

- The Panel will review experience gained and lessons learned from the international health response to COVID-19 as coordinated by WHO and assess:
  - (i) the overall relevance and effectiveness of the international health response to the COVID-19 pandemic;
  - (ii) the [functioning of the International Health Regulations \(2005\)](#) and the status of implementation of the relevant recommendations of previous IHR Review Committees;
  - (iii) the effectiveness of the mechanisms at WHO's disposal and the actions of WHO and their timelines pertaining to the COVID-19 pandemic;
  - (iv) WHO's contribution to United Nations-wide efforts.
- In reviewing the experience gained and lessons learned from the WHO-coordinated international health response to COVID-19 as stated in the resolution the Panel will also:
  - (v) examine global health security threats and provide an analysis of past and future challenges and lessons learned;
  - (vi) include in its work analysis of the broader impacts of pandemics, including economic and social ones, and make recommendations to the extent that they have a direct bearing on future threats to global health security.
- The Panel will:
  - (vii) make recommendations to improve capacity for global pandemic prevention, preparedness, and response, including through strengthening, as appropriate, [the WHO Health Emergencies Programme](#).

# The Independent Panel

# Program of Work

1. **Changing for the future:** An analysis and vision for a strengthened international system ideally equipped for pandemic preparedness and response.
2. **Reviewing the present:** The COVID-19 pandemic: timeline, how the systems responded and the impacts.
3. **Building on the past:** learning from previous pandemics and the status of the system and actors pre-COVID19.

# Methods of Work

1. Desk reviews, including from literature and internal documents; commissioning papers on key topics; compiling case studies;
2. Thematic and expert hearings and/or discussions on particular areas;
3. In-depth interviews; and open hearings and consultations;
4. Call for contributions and web surveys. \*
5. Learning from existing structures including from the Global Preparedness Monitoring Board, the International Health Regulations Review Committee, and the Independent Oversight and Advisory Committee.
6. Regular and transparent communication to stakeholders, including Member States.
